

Student accident insurance, ambulance cover arrangements and private property brought to schools

It is important to for Parents/Guardians to note the following:

The Department of Education and Training (DET) does not provide student accident insurance/ambulance cover nor does it provide personal property insurance. Therefore it must be noted that Parents and guardians of students, who do not have student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs. In addition to this, private property brought to school by students, staff or visitors is not insured and the DET does not accept any responsibility for any loss or damage.
