

THE NORTHCOTE MODEL: YEAR 7 & 8

Building
foundations

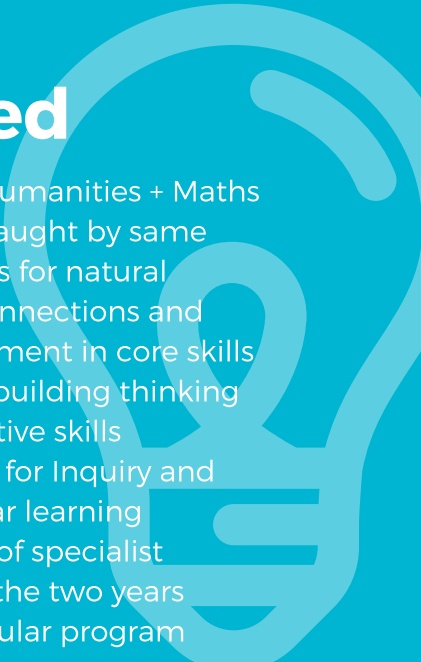

**NORTHCOTE
HIGH SCHOOL**

Connected

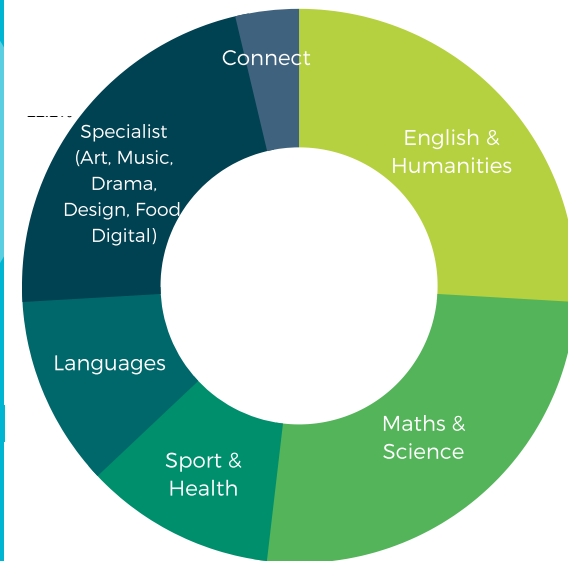

- A 'home base' classroom & class group
- Social and emotional learning through the Connect Program
- Year 10 Peer Support leaders
- Ongoing Transition activities throughout Year 7

Inspired

- English and Humanities + Maths and Science taught by same teacher: allows for natural curriculum connections and deep development in core skills
- Emphasis on building thinking and collaborative skills
- Opportunities for Inquiry and cross-curricular learning
- A wide range of specialist subjects over the two years
- Rich co-curricular program

- A core teacher team for each home group
- A Connect tutor who oversees wellbeing and transition
- Ongoing feedback on progress
- Responsive teaching that focusses on progress regardless of starting point
- A sub-school and wellbeing team for further support
