

Purpose of fund

The Northcote Thrive Empower Fund was established on 3 August 2017 as a necessitous circumstances fund registered with the Australian Tax office as a Deductible Gift Recipient Fund (**Fund**).

The Fund was set up to raise money for the relief of Northcote High School (**NHS**) students in need. Funds will be used to provide money or goods to successful applicants who can demonstrate financial hardship.

Please complete this Application Form if you feel that you or your child (**Applicant**) will qualify for financial assistance from the Northcote Thrive - Empower Fund.

Necessitous Circumstances

1. The Fund is only permitted to provide financial assistance to NHS students in necessitous circumstances. The expression “necessitous circumstances” refers to financial necessity.
2. A person is in necessitous circumstances when his or her financial resources are insufficient to obtain all that is necessary, not only for a bare existence, but for a modest standard of living in the Australia community. Necessitous circumstances do not extend to the absence of merely desirable advantages. When assessing a person’s need for assistance, the management committee of the Fund needs to be certain that the Applicant is unable to meet the cost of attending and actively participating in school from their existing income or resources. Assistance cannot be provided in circumstances where the Applicant was saving from their own income and not committing that income to meeting their child’s educational and related expenses.
3. The Fund’s management committee requires all Applicants to provide certain information in order to evaluate each Potential Beneficiary’s circumstances.

Criteria for application of Fund

The Committee of Management will consider applications for support in relation to students:

1. currently enrolled at Northcote High School; and
2. who are an Australian Citizen or an Australian Permanent Resident; and
3. the student and/or their family is experiencing financial hardship.

Additional documentation required

1. A copy of the Potential Beneficiary’s birth certificate and, if applicable, evidence of Australian residency.
2. A statement attesting to the financial needs of the Applicant. This should be in the form of a letter of referral from a teacher at NHS or a social worker, psychologist, medical practitioner or other referral.
3. If you are entitled to receive Government Benefits, a copy of your last statement for ALL benefits received.
4. Any other supporting information you believe may be of benefit in assessing this application, such as bank statements.
