Over many years our well-established International Student Program has welcomed students from Vietnam, China, Thailand, Cambodia, Burma, Laos, Taiwan, Macao, Korea, Japan, Brazil, France, Germany and many more countries. Our international students enrol in Years 10, 11, and 12 and complete their Victorian Certificate of Education (VCE). We also enrol our students in an intensive English Language course (ELC) which prepares them for commencement in the mainstream Years 10 and 11 program.

They experience the creative and exciting learning journey the school community offers whilst working towards their Victorian Certificate of Education.
