How do I pay via the Edrolo Payment Portal for my child's access?

Payment must be made via the online Payment Portal in your child's Edrolo account. As your child will be using Edrolo as a key resource in the subscribed subjects, please ensure payment is made as early as possible to ensure minimal disruption to their VCE studies.

Payments can be made online through your child's Edrolo account from the 4th of December 2023 onwards.

If payment has not been received by January 15, your child will be blocked from accessing all of their Edrolo courses until the balance has been paid in full (no later than March 8, 2023). As soon as account payment has been made, access to all courses will be restored. **Please ensure payment is made as soon as possible, as your child will have homework and classwork to complete on Edrolo through Term 4 and the summer break.**

Please see below for instructions on how your child can activate their Edrolo account in order to access the Payment Portal to complete payment.
